

Expert Witness

Friday, September 20, 2013

Mohawk Global Trade Advisors provides expert witness services in support of insurance claims, arbitration, and litigation dealing with the critical aspects of global trade.

Our areas of expertise include:

- International freight and transportation management
- Marine insurance
- U.S. Customs compliance
- U.S. Export Administration Regulations (EAR)
- ITAR compliance
- CTPAT
- Compliance with NAFTA and other free trade agreements
- U.S. foreign trade zones

Our respected staff has real-world expert witness experience in all phases of arbitration and litigation.
