

NAFTA Consulting

Friday, September 11, 2015

Get to know NAFTA with MGTA.

Getting NAFTA claims right is just as important as taking advantage of duty free benefits. Make sure your imports are truly eligible and your exports are properly qualified through Mohawk Global Trade Advisors' NAFTA outreach services.

NAFTA Product Qualification

Guidance on determining if your goods qualify for NAFTA, including analysis of bills of material and usage of rules of origin.

NAFTA Ruling Requests

Help obtaining a NAFTA ruling for your product from Customs.

Certificate of Origin Assistance

From creation of valid NAFTA certificates to certificate error reviews and validity checks.

Procedure Audits

Full review of your NAFTA-related processes and procedures to help minimize your risk of a NAFTA violation or penalty.

Cost-Benefit Analysis of NAFTA Claims

Is it worth it to claim NAFTA? We'll provide you with a full workup of all costs and savings related to your NAFTA claims.

Training

Onsite and web-based workshops on NAFTA claim validation, recordkeeping, and reinforcement of established processes and procedures.

Audit Support

Assistance during government audits, such as those from U.S., Canadian, and Mexican Customs authorities.

Duty Deferral Guidance

Answers to your NAFTA duty deferral questions.
